

## House Resolution No.

**Whereas**, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens, particularly its educators; and

**Whereas**, the members now pause to recognize Patricia Williams, of Chesterfield, Missouri, who was honored with a Teaching Excellence Award at an awards luncheon on Thursday, March 27, 2008, at the Capitol Plaza Hotel in Jefferson City; and

**Whereas**, selected by her peers for this honor, Patricia Williams was recognized for her significant contributions to her community and for her outstanding abilities as a faculty member at the St. Louis Community College Florissant Valley Campus; and

**Whereas**, the St. Louis Community College Florissant Valley Campus, situated on 108 acres of rolling, wooded hills in north St. Louis County, is nationally recognized for its art, child care, and chemical and advanced manufacturing technology programs, in addition to a strong general education curriculum, and Florissant Valley also offers unique career programs in deaf communication studies and Missouri's only associate degree program in biotechnology:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere congratulations to Patricia Williams on the illustrious occasion of receiving the Teaching Excellence Award; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Patricia Williams, as a measure of our esteem.
